Falcon 8X

The Right Choice

StandardAero invites you to experience our world-class service on your Falcon 8X aircraft. From major modifications to small inspections, one of our facilities can meet your needs and are ready to exceed your expectations. Our facilities include Class 4 Repair Stations, with in house ODA (Organization Designation Authorization) and EASA (European Aviation Safety Agency) ratings, and over 15 other international ratings.

Benefits

- 3 Convenient Top Tier Service Facilities
- 10 Mobile Support Locations
- ODA & STC Engineering Services
- Extensive Honeywell EASy II experience
- 95% of our customers recommend us

“StandardAero was extremely supportive and the communication was excellent. We have been there numerous times and will continue to go there.”

The trained professionals at StandardAero have built a legacy of innovation, so you'll have the peace of mind of knowing that we not only do things the right way, we're always looking for a better way.
