

Scott Starrett

President - Military & Energy

Scott Starrett serves as President, Military & Energy. He is responsible for the overall performance, global customer satisfaction and growth of StandardAero's military engine MRO facilities which are located in the U.S., Canada and the Netherlands. In addition, he leads the company's industrial gas turbine repair and overhaul business serving the energy/power generation marketplace. Starrett reports directly to the CEO of StandardAero and is a member of the company's Executive Leadership Team.

Prior to joining StandardAero in 2016, Starrett served as Vice President, Strategy and Business Development for Sikorsky Aircraft, a Lockheed Martin Company. He also worked at Sikorsky/United Technologies in additional strategic roles including Vice President of Washington Operations and Government Business Development as well as President of Sikorsky Military Systems. Prior to that, Starrett worked for Honeywell Aerospace where he served in many diverse leadership roles including Vice President & General Manager for the company's multi-billion dollar Defense and Space market segment. He has more than 34 years of experience in the aerospace industry.

Starrett holds a Bachelor of Business Administration – Finance from the University of Wisconsin, Madison.

StandardAero is one of the world's largest independent providers of services including engine and airframe maintenance, repair and overhaul, engine component repair, engineering services, interior completions and paint applications. StandardAero serves a diverse array of customers in business and general aviation, airline, military, helicopter, components and energy markets. StandardAero is owned by The Carlyle Group (NASDAQ: CG), a global investment firm with deep industry expertise that deploys private capital across four business segments: Corporate Private Equity, Real Assets, Global Credit and Investment Solutions. With \$216 billion of assets under management as of December 31, 2018, Carlyle's purpose is to invest wisely and create value on behalf of our investors, portfolio companies and the communities in which we live and invest.
