certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b* of the Civil Air Regulations, and Part 25* of the Federal Aviation Regulations. *(Certification basis is set forth in Type Certificate Data Sheet A12EA.)

Original Product Type Certificate Number: A12EA
Make: Gulfstream American
Model: G-1159 and G-1159A

Description of Type Design Change: Installation of the Custom Products Model 1875 jump seat on the radio rack of the Grumman G-1159 aircraft per FAA sealed Aircraft Technical Service Drawing No. 1027, Rev. A, or later FAA sealed revision.

Limitations and Conditions: The approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. A copy of this STC must be included in the permanent records of the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
